Dear Sir:

The references listed in the attached PTO Form 1449 may be material to examination of the above-identified patent application. Applicants submit the list of these references in compliance with their duty of disclosure pursuant to 37 CFR §§1.56 and 1.97. The Examiner is requested to make these references of official record in this application. Because the above-identified patent application was filed after June 30, 2003, copies are attached only of those listed references, if any, that are not either a U.S. patent or U.S. patent application publication.

Applicants submit that copies of the U.S. patent and/or U.S. patent application publication references listed, if any, need not be provided pursuant to the notice published in the Official Gazette at 1274 Off. Gaz. Pat. Off. 55, 8/5/2003.

This Information Disclosure Statement is not to be construed as a representation that a search has been made, that additional information material to the examination of this application does not exist, or that these references indeed constitute prior art.

This Information Disclosure Statement is believed to be filed before the mailing date of a first Office Action on the merits. Accordingly, it is believed that no fees are due in connection with the filing of this Information Disclosure Statement. However, if it is determined that any fees are due, the Commissioner is hereby authorized to charge such fees to Deposit Account 50-0685 (Order No. ATHEP128).
